
Skills

UX Design · User Research · Design Systems · Wireframing & Prototyping · Claude Code · Figma · Cross-Functional Collaboration · Stakeholder Presentations · Design Storytelling

Experience

Olio Health • User Experience Designer

May 2025 – Present

- Led end-to-end UX research and design of an automated admissions workflow for skilled nursing facilities, consolidating 4 systems into 1 and cutting referral processing time from 30 minutes to under 5. Enabling staff to process 6x more referrals in the same time
- Designed an AI powered document summarization feature across mobile and web that cut user decision making time from hours to under 5 minutes for 15,000+ users
- Used Claude Code and GitHub to make direct code changes for small UI updates, taking designs from concept to implementation same-day and reducing reliance on engineering for minor updates
- Inherited and scaled a Figma design system for a the product team, expanding the component library as new features shipped across mobile and web

OneAmerica Financial • User Interface Designer

June 2021 – April 2025

- Designed landing pages for sales incentive trips and company events (awards ceremonies, conventions), driving higher engagement and giving employees a self-service resource that reduced direct questions to the marketing team
- Replaced paper event materials with digital landing pages, cutting printing costs and streamlining event communication company-wide
- Contributed to mobile app design, partnering closely with engineers to take designs from concept to implementation
- Collaborated on the company's rebrand and new design system as part of a cross-functional team, helping establish consistent visual standards across web, mobile, and event materials

Lumi Design • Freelance Web Designer

June 2019 – Present

- Designed and built full websites end-to-end for small local business clients, from initial concept through launch
- Implemented SEO best practices and meta tag optimization, improving clients' online visibility and driving increased organic traffic
- Delivered sites that measurably grew client business, increasing inbound leads, and phone calls through improved online presence.
